

The Music department at Knole Academy provides an education that encompasses the main three strands of music education; performing, composing and listening/appraising. The topics covered at KS3 allow students to develop their musical understanding and skills, which allows them to build on this at KS4 for Music GCSE.

Lessons are charged at **£17.50 per 30 minute lessons**. There will be 6 or 7 lessons per half term on a rotating timetable.

We endeavour to provide all students with the opportunity to perform both in class and at concerts throughout the year. We also encourage students to learn an instrument and take part in the many musical opportunities offered at Knole Academy.

Please contact Mrs Lawrie for a letter and sign up slip if you would like your child to start lessons.
